

Dance Dates for your Calendar: 9.25.2017

East Cooper Shag Club wishes to convey, and for all to understand, that we (ECSC) are not promoting, endorsing, or recommending, any specific organization offering shag opportunities. Rather we are a conduit for information. "All, in keeping with East Cooper Shag Club's dedication to the preservation of beach music and shag dancing - we want the ECSC Family to have as many opportunities to participate in "Shag Dance" not only in "our" sponsored activities, but all that are offered by our sister clubs and others in the Low Country." Our weekly dance update is intended to give individuals choices in the opportunities available to dance.
