

## A little Shag Etiquette reminder!

We all enjoy the many options afforded us to DANCE... what a terrific community we are a part of that embraces our State Dance! Please consider the following:

### At a Club:

- A Club is a business and their purpose is to earn a living.
- While enjoying the benefits of dancing to a DJ that the club is paying for – PLEASE purchase your beverages and snacks/meals from the bar/venue. (Do Not BYOB and visit your car or purse).
- Please be considerate of wait staff and bar tenders – wait your turn and leave a generous tip. We want the community to welcome us at their place of business.

### At a Rented Venue:

- Please add time to your schedule to help set-up or breakdown. There are no magical fairies that take care of these tasks.
- Please be considerate of the “cleanup” when the dance is over – take care of placing trash in the bins and be responsible for your table.
- When asked to BYOB or bring snacks, please do so.
- If there is a reservation required or payment to attend an event– please respond early. Not having an accurate count of attendees can throw off catering, beverage provisions, etc...

### On the Dance Floor: (Copied from OD & Sandy Beach Shag Club)

- Asking a partner. It is equally permissible for a woman to ask a man as it is for a man to ask a woman to dance. Take your partner's hand onto the dance floor and at the end of the dance thank your partner.
- If you don't want to dance, say "No thank you." Don't dance with someone else if you just turned down a request to dance.
- Please, if someone says "no thanks" do not be persistent, take them at their word.
- It is not polite to correct your partner on the dance floor. Remember this is a social club (have fun).
- It is not polite to offer instruction to someone in a social dance setting (or in a dance class if you are not the instructor).
- Let's face it, you may be the one doing the step wrong. Unless they ask for help or are hurting you, don't teach. If your partner requests help, kindly take them off to the side away from the other social dancers.
- DANCERS BUMP INTO THE NICEST PEOPLE and it isn't even a contact sport. Be aware of the dancers around you! If you bump into someone, kick someone or step on someone's foot, or if they bump into you, apologize whether it was your fault or theirs. Show concern that no serious injury has occurred. It's a fairly accepted practice that when a collision occurs, apologize, EVEN if it wasn't your fault.
- DANCERS USE SELECTIVE FLOOR PLACEMENT - Find your Spot and keep your Slot! The first person on the floor usually has the right to set the slot of the dance. Dance Small! If you require 1/2 of the floor in order to do your thing, you need to change your thing! Nobody likes to be pushed around the floor. Also save the arm waving, clapping and hand dancing for Flag Day as they may end up in another person's face. Sorry, but unless you're on a stage, you're not the only one on the floor.
- Please step off the dance floor if you're not dancing. If you are drinking a beverage of any kind or smoking, keep off the dance floor because of damage to the floor.
- Leaders: if dancing with a less experienced partner, keep the steps simple at first and build to the level that your partner can handle. Leading should be defined as "the art of making your partner comfortable." Work as a team, don't showboat.
- Leaders, protect your partner, since you are directing her movements, you need to be sure to protect her safety.
- Leaders, if you must count and give verbal leads, keep it low enough that just you and your partner can hear. It can confuse those around you and besides, just because you can count doesn't mean "you are on the beat."
